- 20. Set forth any additional information that demonstrates the quality of your legal work or which you believe to be relevant.**

I have litigated both civil and criminal cases in state court as lead counsel. I have been involved in all facets of litigation. I have drafted pleadings, written and argued motions, conducted depositions, and engaged in extensive document review; as well as, prepared witnesses for trial. In addition, I first chaired numerous jury trials and bench trials. Further, as a result of my experience as in-house counsel, I developed an expertise in managing and guiding attorneys. I actively oversaw litigation matters handled by many different law firms. The position also involved directing decisions and providing advice as to the propriety of proposed agency action, in light of applicable laws and regulations. My experiences as a

practicing attorney have served as a solid foundation for my current post of associate circuit judge. Similarly, my position of associate circuit judge has afforded me the ability to develop invaluable skills in preparation for the position of circuit court judge. I have presided over both civil and criminal bench and jury trials. Moreover, in each of the divisions that I have been assigned, I have effectively and efficiently managed my dockets and lead cases to resolution. I have served as an active member of the 22nd Judicial Circuit for the past thirteen years. I have contributed positively to the organization and functioning of our circuit by initiating changes for the efficient operation of each associate circuit division to which I have been assigned. For example, I instituted a special docket for hearings on challenges to claims for exemption from garnishment to satisfy State of Missouri tax liens; created flexibility in docketing for the convenience of litigants; coordinated the amendment of default judgment forms for rent and possession cases to conform to changes to landlord tenant laws; and facilitated the publishing of pro se landlord tenant forms on the circuit's local website. Most recently, I contributed to the plan to implement changes to the operation of the associate circuit dockets, by consolidating the dockets in the four general civil and criminal non-jury trial divisions of our circuit. In addition, I am currently a part of the Missouri Supreme Court's Public Education Committee, the Trial Judge Focus Group and the Missouri Court Automation Committee. I am also a member of the 22nd Judicial Circuit's Budget Committee. In the past I have also served on the Circuit's E-Filing; Review and Evaluation; Personnel and Jury Supervision committees.

In addition:

- 2015 --Helped develop plan to consolidate dockets in non-jury associate circuit divisions in the 22nd Judicial Circuit. Working with Associate Circuit Judges Theresa Burke and Michael Noble revised associate circuit dockets civil and criminal non-jury trial divisions in order to increase the opportunities for associate circuit judges to handle bench trials/hearings and reduce down time in associate circuit divisions.
- 2014 & 2015 --Conducted a presentation for the St. Louis City Sheriff's Office, Training Program for Special Process Servers.
- 2014-- Coordinated the development of new default judgment form following statutory changes regarding rent and possession cases.
- 2014 --Developed notice to pro se litigants summarizing pertinent changes to landlord tenant laws.
- 2013-- Facilitated the publication of pro se landlord tenant forms on the 22nd Judicial Circuit's local website.
- 2012-- Presented CLE on Associate Circuit Practice for new lawyers at the request of BAMSL.
- 2009-- Coordinated a presentation on the Fair Debt Collection Practices Act and its impact on the associate circuit commercial litigation (collection) cases, for the Annual Conference of the Missouri Association of Probate and Associate Circuit Judges, which was held in Columbia,
